

Curaçao Ecocity Projects NV (Aloe Vera plantation Curaçao), located at Groot St. Joris, cultivates more than 100,000 Aloe Vera plants for production, and manufactures and sells Aloe Vera products like juices and cosmetic products. The company specializes in skincare products, which are known by the name Curaloe.

We are looking for a part-time (16-24 hours):

Production Worker

The Production Worker supports the production manager with day-to-day operations, such as harvesting, assisting in the production line, and ensuring quality control of the products being manufactured.

RESPONSIBILITIES

- Ensure product quality and adherence to production procedures.
- Clean and organize production areas daily
- Comply with the code of conduct
- Focus on accuracy during repetitive tasks
- Meet daily production targets
- Helps during the harvesting period

PROFILE OF A SUITABLE CANDIDATE

- Detail-oriented
- Ability to follow strict procedures and protocols
- Proactive in problem identification and resolution
- Team player with strong communication skills
- Respectful and responsible handling of company property
- Adaptable and cooperative in a dynamic work environment
- Dedicated to maintaining a clean and safe workspace
- Professional demeanor and adherence to workplace ethics
- Speaks Dutch or English, and Papiamentu
